ORDINANCE NUMBER FIFTEEN

Passed August 4, 1919.

AN ORDINANCE CONCERNING SIDEWALKS.

Be it ordained by the Board of Trustees of the Town of Hillrose, Colorado.

Section 1. All sidewalks hereafter laid shall be made of the best Portland Cement concrete, cut from top to bottom into blocks not larger than Five (5) feet square; and upon all business streets shall not be less than Four (4) inches thick, the upper three-fourths (¾) of an inch which shall be made in the following proportions: Cement one part and sand one and one-half parts; the body of the walk shall be, cement one part, and a mixture of

sand and gravel four and one-half parts. All sidewalks on residence streets shall be not less than Four (4) inches thick, the upper one-half (½) of an inch of which shall be made of the following proportions: Cement one part and sand one and one-half parts; the body of the walk shall be, cement one part and a mixture of sand and gravel four and one-half parts.

Section 2. The sidewalks on both sides of Emerson street from The Chicago, Burlington and Quincy Railroad right of way to Rose street shall be eight (8) feet wide from the lot line, including the curbstone, and shall be built in the manner prescribed in section one of this ordinance. The sidewalks on all residence streets, when grade shall be established, shall be four (4) feet wide and shall be constructed of the material and in the manner provided in section one of this ordinance, and the inside line of the sidewalks on residence streets shall be laid one foot out from the lot lines.

Section 3. All sidewalks shall be constructed at a grade corresponding with the grade of the center of the street as established by ordinance (unless otherwise provided in any particular case) and with a slope toward the curbstone or gutter, so that the edge toward the curbstone shall be one and one-half inches lower than the edge adjoining the lots in all cases where the sidewalk is eight (8) feet wide, and all sidewalks shall be constructed with the same uniform grade or slope along the streets as the streets themselves, whenever the streets have a grade other than horizontal so that there shall be no step or set-off upon the sidewalks other than may be deemed necessary at the street crossings.

Section 4. Sidewalks shall be constructed and repaired with the best Portland cement, constructed and laid in the manner provided in section one of this ordinance, and all openings in the sidewalk for the admission of fuel or light shall be securely covered with iron or iron and glass covers; and no sidewalk shall be constructed, reconstructed or repaired without notice to and under the supervision of the Mayor, and in all cases where a sidewalk becomes so defective as to need repairing, a cement walk shall be laid, and it shall be the duty of the mayor to notify the owner, agent or person having charge of the property adjoining such sidewalk needing repair, also report the same to the Board of Trustees. And any person who shall violate the provisions of this section shall, on conviction thereof, be fined in a sum not less than Five Dollars (\$5.00), nor more than Twenty-five Dollars (\$25.00) and costs.

Section 5. That sidewalks in the Town shall be constructed and kept in repair by the owners of the property fronting upon the same at their own expense.

Section 6. Whenever a majority of the owners of property fronting upon any street, or specified portion thereof, shall petition the Board of Trustees for the construction or repair of sidewalks the Board of Trustees may order the same to be constructed or repaired; or whenever two-thirds (2-3) majority of the Board of Trustees shall by resolution decide that any sidewalk should be constructed or repaired, they may order the same to be constructed or repaired by the owners of the property fronting on the same.

Section 7. Whenever the Board of Trustees shall direct the construction or repair of any sidewalks, as in the last section provided, the Town Clerk shall immediately thereafter notify all owners of property, fronting on same, their agents, or persons having charge of such property, in writing that an order has been made by the Board of Trustees requiring the construction or repair of such sidewalk. If such property owner shall not construct or repair the same in accordance with the requirements of such order within thirty (30) days after the service of notice upon them, the Board of Trustees may order that such sidewalk be constructed or repaired by the street commissioner or other agent of the Board of Trustees, and assess the costs thereof against the property fronting upon the sidewalks so constructed or repaired, the amount so assessed against each lot to be the actual cost of constructing or repairing that portion of such sidewalk as each of said lots shall front upon, including the cost of serving such notices; and the amount so assessed shall be a lien upon such property until the same is paid; provided, in case of failure to pay such assessment within ten (10) days after the same shall be made, the Town Clerk

shall cause a notice of such assessment to be given to the owners of all such property by publication in a newspaper published in the County of Morgan two successive weeks, which publication shall contain a notice to such property owners of the amount assessed against their property, and designate a time and place when the Board of Trustees will hear any objections as to the justness and correctness of the amount assessed; and if such assessments are not paid within ten (10) days after the time fixed for hearing such objections, unless unless the same are sustained, the Town Clerk shall certify such assessments to the Clerk and Recorder of Morgan County, or the officer then having the custody of the tax lists at the time such certification is made, to be by him placed on such tax lists for the current year, to be collected in the same manner as other taxes are collected, with ten (10) per centum penalty thereon to defray cost of collections, as provided by the laws of the State of Colorado.
